

NEW FOR FALL 2026 • CLINTON PUBLIC SCHOOL FAMILIES

BUILD. CODE. PLAY.

Clinton's first **FIRST® LEGO® League team for kindergartners** is launching this fall, and we're looking for 4–8 young builders to join. Kids team up to build and code motorized LEGO models, solve playful missions, and show off their creations at a regional celebration.

● WHO

Kids in **grades K–2 (ages 5–7)**. No experience needed, just curiosity and a love of LEGO bricks.

● WHAT

The brand-new **FIRST LEGO League K–2 program**, the world's largest youth STEM league, powered by LEGO® Education kits.

● WHEN

One hour a week after school, September through winter, ending with a fun regional expo event in New Jersey.

● COST

About **\$125 per child** for the whole season. All LEGO kits and registration included. No hidden fees.

⚠ **Only 8 spots on the team!**

Coached by two volunteer CPS parents.
Parents welcome at every meeting.
